

## RSCM Bristol and Swindon Area

### *2004 RSCM awards for junior and adult choristers*

Following the very successful first assessments and awards made to adults and juniors last September, the RSCM Bristol Area Committee has decided to institute these assessments twice yearly in March and September. Applications are therefore invited from adult and junior singers for the Dean's (Bronze) and Bishop's (Silver) RSCM Awards to be assessed on an evening in **mid to late March**.

Singers, both junior and adult, who participate in the RSCM *Voice for Life* training scheme will find a natural progression into these nationally recognised awards. Choristers at 'red ribbon' level in the scheme should already be equivalent to the new bronze standard. Why not encourage singers to gain the satisfaction of receiving a visible recognition of their value!

A copy of the full syllabus and an application form can be sent on request to choir leaders. We regret that for reasons of economy it will not be possible to supply the full syllabus to every applicant, but both the application form and the relevant sections of the syllabus may be photocopied freely.

John Henderson, Area Chairman, 01793 525856
